Extreme 440 Pro Beam-Spot

Brighter Extreme 440 is an advanced hybrid light, it is an very powerful beam light, the light beam is sharp and the minimum beam angle is just 2.5°. The narrow and dense light beam remains parallel even at very long distance.

It is also a professional high power spotlight with a zoom from 4° to 50°, rotating gobos and fixed gobos, CMY color mixing, three color wheels, 2 prisms, and smooth, fast and quiet movement.

By using the separate frost filter, you can get nice wash effect too.

Extreme 440 is a versatile fixture and can be used in any situation.

The lights can be controlled not only by DMX, but also by Art-Net protocol.

Parameters:

Light source: Osram 440 W

Lamp's lifetime: 1500 hours

Color temperature: 7800K

Power consumption: 700W

Beam angle: 2.5°- 4° (Beam mode)

4°~50° (Spotlight mode)

Dimmer: (0-100%)

Pan/Tilt: 540°/240°
